

Dear QPTN-8 participants:

We communicate fresh news on the coming Workshop in Prague:

PROGRAM:

A preliminary program of the Workshop is now available:

Web: <http://www-ucjf.troja.mff.cuni.cz/~qptn2016/program.php>

PDF: The pdf version of the program is attached to this email.

Minor updates in the program are probable and will be communicated.

The opening session of the Workshop starts on Monday (June 6) at 10 a.m., the last session of the Workshop ends on Thursday (June 9) at 6 p.m.

Short abstracts of all contributions and contact info of the participants will be given to you in the printed form at the on-site registration.

HOW TO REACH THE WORKSHOP SITE:

The Workshop will take place in the first floor of the “Mala Strana” building of the Faculty of Mathematics and Physics of the Charles University:

Coordinates: 50°05'18.2"N 14°24'13.8"E

Link to map: <https://www.google.com/maps/@50.0881008,14.4039691,192m/data=!3m1!1e3>

See also the Workshop Webpage: <http://www-ucjf.troja.mff.cuni.cz/~qptn2016/venue.php>

Street address: Malostranske namesti 2/25, Praha 1

The Malostranske square can be reached by trams no. 12, 20, and 22. The nearest underground station “Malostranska” of metro line A (green line) can be reached by all of these three tram lines and is within a walking distance. A more detailed info about the Prague public transport can be found here: <http://www.dpp.cz/en/>

ON-SITE REGISTRATION:

The on-site registration of participants will be organized on Monday (June 6) starting at 9 a.m., an hour before the planned beginning of the scientific program. The registration will take place just in front of the lecture room where all sessions will be held. For those who will arrive later, the materials will be available at the time of their arrival.

LUNCHES:

Lunches for the participants will be organized in the restaurant “Malostranska beseda,” just on the opposite site of the Malostranske square than the Faculty building. Various dietary options will be available.

Webpage: <http://www.malostranska-beseda.cz/en/trick-bar/trick-bar/about-trick-bar.html>

SPECIAL TALK AND SOCIAL DINNER:

A special talk by J. Podolsky on the history of physics and astronomy in Prague (Brahe, Kepler, Doppler, Mach, Einstein...) will take place in the Baroque refectory of the House for Professed, just next to the lecture room, on Wednesday (June 8) from 5 to 6 p.m.

The social dinner (for the participants and the accompanying persons who have applied for it) will take place in the loft of the house "Malostranska beseda" (opposite to the Faculty building on the Malostranske square) on Wednesday (June 8) evening. A soft start is at 7 – 7.30 p.m., an anticipated end at 11 p.m. Various dietary options will be available.

CULTURE AND SIGHTSEEING IN PRAGUE:

If you wish to consult options for cultural or touristic program for you and/or your accompanying persons, do not hesitate to contact us. We are ready to give you an advice concerning actual concerts (classical music, opera, jazz, bigbeat), cultural events/sites (exhibitions, galleries, museums) and other places of interest in Prague and surrounding. We can help you to reserve tickets.

NEXT WORKSHOP:

As in the all previous QPTN Workshops, we are looking for the organizers of the next Workshop, QPTN-9, to be held in 2018. It would be great if the organizer of the next Workshop can be announced during the present Workshop in Prague (preferably Wednesday evening, during the social dinner). Volunteers, please do not hesitate to contact us!

We look forward to seeing you in Prague! Already in a few days!!!

Pavel Cejnar

(for the local organization team)
